

## Technical Bulletin 20-05

**Issue date:** 21<sup>st</sup> October, 2020

**Subject:** Discontinued Product line

**Part Numbers affected:** Refer table attached

**Detail:** The A type and B type connectors that were first released in 2010 will be discontinued and replaced by the A type and B type "PRE" versions which were first released in 2014. While there are some minor physical and mechanical differences between the two ranges, they are form, fit and function compatible with each other.

**Recommended alternative:** Refer table attached

**Effective date:** 22<sup>nd</sup> October, 2020

There is a small amount of stock left on hand for last time buys, please contact your customer service representative to check availability.

Samples of the replacement parts are available on request. If you have any questions or concerns please contact us for further information

Thank you
